

Youth Rota April-Sept 16

Sunday Morning Team: We aim to arrive at Church for 9:30am. This gives us time to set-up and pray before the service starts at 10:00am. Team member 1 will lead the session, having prepared before hand using the Urban Saint's Energize website, the details of the session are below in the 'any other details' column. Team member 2 is responsible for bringing bread for toast and any other breakfast type snacks (please remember to bring your receipts so we can refund the cost!). At the end of each session it is important to do a review of the session so we can see what we have done well, if we can improve and where the young people are at.

The Urban Saints website address is: <http://www.energize.uk.net/>

Youth Rota April-Sept 16

Sunday Evening Team: All Change with venue whilst we redevelop the hall, so we'll be meeting in the lower rooms of the Church (coming in through the 'old office' door. Team member 1 will lead the session using 'The Ideas Factory' book by Martain Saunders (Get the youth to choose which session they discuss). Team member 2 is responsible for cooking food, with the change of venue we'll be back to the good old electric pizza ovens unless I can install and clean the one from the church hall. At the end of each session it is important to do a review of the session so we can see what we have done well, if we can improve and where the young people are at.
